Renewal Requirements for Licensed Operator/Pyrotechnic Operator

Missouri regulations require the Licensed Operators and Pyrotechnic Operators to renew their license every three years with the Division of Fire Safety. License for a Licensed Operator and/or Pyrotechnic Operator will be issued to those individuals who have met the following criteria:

1. Submit a completed "Application for Licensed Operator/Pyrotechnic Operator License". Applications may be obtained from the Office of the State Fire Marshal or downloaded from our website at www.dfs.dps.mo.gov;
2. Provide proof/documentation of having attended a **minimum of (12) hours** of approved continuing education within the past three (3) years relating to pyrotechnics;
3. Provide proof/documentation of actively participating in at least three(3) fireworks displays related to the license type you are renewing;
4. Applicant shall not have pleaded guilty or been convicted of a felony;
5. If applicable, copy of U.S. Bureau of Alcohol, Tobacco, Firearms and Explosives permit/license verifying compliance with applicable federal laws relating to possession, sales, storage or use of display and/or proximate fireworks;
6. Copy of a valid state driver's license or state ID card;
7. Provide two (2) passport type photographs;
8. A check, money order, or bank draft in the amount of \$100 (U.S.) per license, payable to the Missouri Division of Fire Safety.
